Dear Jim:

A letter has just been received from Mr. Marriott of the BBC in which he mentions, among other things, that he hopes to pay a visit of two or three days to your station around the end of October. Perhaps you have already been advised of this by Wilson.

Mr. Marriott's visit to Cyprus will precede the FBIS-BBC Coordination Committee meeting which is tentatively scheduled to be held in Washington in early December. One of the subjects which we have proposed for discussion at the meeting is Cyprus-Caversham coverage coordination. Our views on this problem have been very thoroughly recorded. However, if there are any new points on which you wish to make suggestions prior to the discussion with the BBC, please advise us.

Please give my regards to [redacted] and all the others at the station.

25X1

Sincerely,

25X1
